Access to Care

Overview:

- Introduction
- Poll
- Breakouts
- Report Outs
- Call to Action

FACTORS THAT INFLUENCE ACCESS

INSURANCE & COST

Can people pay for their care?

AVAILABLE PROVIDERS

Are there enough providers (including specialists) and appointments?

LANGUAGE & CULTURE

Are services available in their primary language?

VIRTUAL & REMOTE ACCESS

Do people have the technology and associated skills to access telehealth?

TRANSPORTATION

Can people reliably get to their appointments?

TIME

Can people receive care at times that work for them?

TRUST

Do people feel comfortable using the healthcare available to them?

HEALTH LITERACY

Do people understand and follow through on care?

Addressing Barriers

- Overview
- Poll
- Jamboard Demo
- World Café Breakouts
- Report Back
- Call to Action

Call to Action
